

9th Annual
Spring Swing's
Best Basket
Competition

Does your business have what it takes?

Creative minds needed! Put your imaginations to work in building a **gift basket** to be donated for auction at the Erie Homes for Children and Adults 9th Annual Spring Swing!

The local business who donates the basket with the highest bid at the April 30th event will

win a free catered lunch!

Commitment Deadline: February 15, 2010

Gift Basket Delivery Deadline: April 1, 2010

9th Annual Spring Swing: April 30, 2010

About Erie Homes for Children and Adults

Founded in 1912, Erie Homes for Children and Adults (EHCA), is a private, nonprofit agency that offers both residential and community programs with the mission of assisting people with disabilities to live rich and fulfilling lives. Every day, nearly 350 people and their families depend on the services EHCA provides.

The residents and program participants range from all ages and all levels of disability, yet EHCA offers them each the opportunity to reach their full potential.

For more information, visit www.ehca.org.

About Spring Swing

Every April, with help from the community, EHCA hosts its signature fundraising event, Spring Swing. Funds raised directly impact the Endowment Fund, ensuring that EHCA will be able to assist people with disabilities to live rich, fulfilling lives for years to come. The evening offers live music and dancing, silent and live auctions, food and fun. For sponsorship or ticket information, contact Donna or Karyn (see below).

Best Basket Competition

Won't you join Spring Swing by participating in the Best Basket Competition? Local businesses are being asked to donate gift baskets filled with goodies to this good cause! The business who donates the basket that raises the most money for EHCA at this year's Spring Swing will win a free catered office lunch and be featured in an upcoming EHCA newsletter, sent to over 3,600 households/offices. Everyone who participates in this challenge is a winner—for raising money to help people in our community living with disabilities.

Here's what **you do**:

1. Commit to participating before February 15, by calling Donna or Karyn (see below)
2. Choose a theme and design your basket—be creative and have fun
3. Request donations from supervisors, co-workers, vendors, customers, or outside donors to assemble the basket
4. Complete your basket by April 1, for either delivery or pick-up

(If you donate more than one basket, the combined total from all baskets will go toward one winner!)

Here's what **we do**:

1. Promote your business's participation
2. Display your basket for auction at Spring Swing
3. Announce winning basket at Spring Swing
4. Arrange a photo of winning group for newsletter
5. Provide a catered office lunch at winning business
