Thank you to the donors who supported our **Be-A-Friend** project this year. A total of **98 people** serviced through EHCA programs received holiday gifts, thanks to generous supporters. Without these gifts, these individuals may not have waken up to anything beneath the tree on Dec. 25. Recipients included 58 children and 40 adults.

EHCA will celebrate its **100th anniversary** in 2012! A committee is being formed now to help plan this milestone celebration. Quarterly meetings will begin in January. If you or someone you know is interested in getting involved, this **committee** may be the perfect fit for you! Want to join?
