

The School Age Program of  
Erie Homes for Children and Adults  
***Invites You***  
to a special movie preview party!

**Synopsis:**

Through an Arts In Education residency with Teaching Artist Shelly Barnard, with collaboration from the Tom Ridge Environmental Center (TREC), and with funding by PNC Bank Foundation, ArtsErie, and Eriez Magnetics, EHCA offered an environmental-themed curriculum to its School Age Program participants this summer, called Dance and the Environment. Students studied the environment as it relates to Presque Isle and expressed what they learned through dance. They were filmed for a special video, which will be available at the TREC.
